Introducing Conneaut's BEST 2011...

The Conneaut's Best Contest started in 2009, with 12 different categories available for residents to vote on. The contest run by EverythingConneautOhio.com is ran exclusively online, and grew to over 50 categories in 2010 and 2011.

The goal of the annual contest is to increase friendly competition while maintaining a superior level of service to the citizens of Conneaut. Some categories were much more intense than others but in the end, Conneaut claimed it's winner in each respective category.

Congratulations to the winners, and those who may not have taken the title - but will continue to proudly serve the residents of Conneaut Ohio. You will get another chance at the title next year as the 2012 Conneaut's Best Contest is slated to take place from Feb. 1st - Feb. 28th 2011.

Again Congratulations!
